

Whatever It Takes

I am committed to doing whatever it takes. The die's been cast. I've stepped over the line. I'm out of the comfort zone. The decision has been made. I won't look back, let up, slow down or back away. I'm finished and done with low living, small planning and colorless dreams. I cannot live with tame visions, dwarfed goals, mundane talking, or chintzy giving.

I cannot be bought, compromised, detoured, or lured away. I will not allow myself to be turned back, deluded or delayed. I will not flinch in the face of sacrifice, nor hesitate in the presence of adversity. I will not negotiate at the table of the enemy, nor will I long for the pool of popularity. I refuse to waste another minute in the maze of mediocrity. I'm through with the old ways of thinking and living. I am a leader of many. I am successful. I am ready to pay the price no matter what the cost. Bring it on. I am ready for anything because here's the deal...

I am committed to doing whatever it takes
